

FACILITY, EQUIPMENT AND ACTIVITY READINESS • GB-HKY-243

Practice / Game Pre-Activity Safety Check

Primary owner	Use it	Access
Trainer / authorized safety lead	Facility, equipment and activity readiness	Restricted - Team Staff

Make and record a clear GO, MODIFIED or STOP decision before every practice, game or dryland activity, then recheck any controlled hazard.

Team / age group	Season	Prepared by	Date prepared

RECORDING / ROLE BOUNDARY

Trainer standard
P = pass, I = issue, N/A = not applicable. This is an operational check, not a facility inspection or medical assessment. A STOP decision remains in effect until the authorized owner controls the hazard and the Trainer records the recheck.

WORKING RECORD

Check / decision	P / I / N/A	Immediate control / instruction	Owner	Verified / time
Trainer / authorized backup present				
EAP roles and communication ready
